Campus Ministries

Campus Ministries is an integral part of Taylor’s whole person education. The office of Campus Pastor oversees the chapel program and provides for the pastoral needs of the University. Chapel for the entire community is held three times a week during each semester as well as Interterm. Spiritual renewal weeks, as well as other special emphasis weeks, are featured throughout the year.

Career Coaching

The Calling and Career Office is located in the Boren Campus Center. Staff members assist students in exploring how their values, interests, personality, and skills connect to potential career paths and assist students in creating a plan to achieve their goals. The staff reviews resumes and cover letters, prepares students for professional interviews, conducts workshops, and facilitates networking opportunities to connect students with alumni and employers. The calling and career staff encourages students to begin using the services of the office early in their graduate careers in order to expand the choices they will have upon completion of their degrees.

Taylor’s calling and career resources are available to serve students, faculty, and alumni. Resources include self-assessment tools, online resources, books, graduate school information, and employer and alumni contact information. The Calling and Career Office utilizes both Strong Interest Inventory and StrengthsQuest assessments to assist students in identifying their passions and abilities. The CCO maintains online databases that connect students and alumni to current full-time, internship, and part-time positions. For information, contact the Calling and Career Office (765-998-5382).

Counseling Center

The Counseling Center offers students professional counseling services on a no-fee basis. Individual counseling, groups, workshops, and educational programs are available. Care is given to approach all of life in the context of a biblical worldview. The Counseling Center is located in the new Student Center. Students are seen by appointment, as well as on an emergency basis. Referrals can also be made to other qualified Christian professionals in the area.

Health Services

Marion General Hospital Physicians and Nurse Practitioners provide healthcare services, including some pharmacy and lab services exclusively for Taylor University students. The Taylor Student Health Center is located at 1809 S Main Street, across the street from campus. Students may use the Marion General Hospital emergency department for emergency care and urgent problems. Marion General will bill the student’s insurance for after hour visits. Students may also use other healthcare providers if they choose.

A full-time student pays a health service fee each fall and spring semester and January interterm. This fee may be waived only if the student is married, a commuter from his or her parent’s home, or studying away from campus. In order for this fee to be removed from the bill of an eligible student, a waiver must be obtained from the Bursar’s Office and signed by the end of the second week of classes each semester. Health services are not available during summer sessions. In order to take advantage of this service (as a graduate student), you will need to contact the Office of Student Accounts at (765) 998-5123 or bursar@taylor.edu to complete a request and submit payment for health center coverage.
