

# TAYLOR UNIVERSITY YOUTH CONFERENCE

## RELEASE FORM

It is our desire to provide the best possible atmosphere throughout the weekend's events. Students are expected to cooperate with all staff at all times and to participate in all scheduled activities. Possession and/or use of alcoholic beverages, weapons, tobacco products, and/or any type of illegal drugs is strictly prohibited. Failure to remain within Taylor University guidelines at any time is cause for the students immediate return home at the parent/guardian's expense.'

Each student is expected to be inside his/her assigned residence hall by curfew. Violation of curfew (12 midnight unless otherwise stated) will result in the student being detained and returned to his/her residence hall by campus safety.

With your signature, you release Taylor University from any liability involving the student's stay on campus. Your signatures also grant Taylor University and/or its staff to act on behalf of the student in the event of a medical emergency, if a youth leader and/or guardian is unavailable to act.\* We have read the above code of conduct/release form and agree to abide by it.
