Final examinations must be taken at the assigned hours listed in the published exam schedule. Class start times include a range of times (i.e. 8:00-8:45 = 8:00, 8:15, 8:30 or 8:45). Exceptions will only be allowed due to serious illness or death of an immediate family member. Reasons such as plane schedules, availability of flights, and rides leaving early are not acceptable exceptions.

Students scheduled to take more than two final exams on the same day may, *with written permission from the instructor*, reschedule an exam(s) to maintain a maximum of two exams per day. To begin the rescheduling process, students should contact the Registrar's Office at least ten class days prior to the beginning of finals week. **Rescheduling must be approved by Monday, May 4, 2009.**

For courses with TBA class days, the instructor will announce the exam time. Should the announced time conflict with another scheduled exam, the professor who announced the exam time will make the accommodation.
