

Students must take their final examinations at the assigned hours listed on the final exam schedule. Exceptions are made only due to serious illness or death of an immediate member of the family. Reasons such as plane schedules, availability of flights, and rides leaving early are not acceptable exceptions. Students scheduled to take more than two final exams on the same day may, with written permission from the instructor, reschedule an exam(s) to maintain a maximum of two exams per day. Students must contact the Office of the Registrar to begin the rescheduling process. Rescheduling must be approved at least 10 class/weekdays prior to the last class day of the semester: **Friday, May 2, 2025**. Class start times refer to any course with the official beginning time during that hour; for instance, a class start time of 9:___ AM would include start times such as 9:00, 9:15, 9:30, 9:45. For courses with multiple-part sections (e.g., lecture w/ lab, lecture w/ discussion group), final exams will be held during the scheduled exam times for lecture sections. For courses with multiple class times (e.g., T 2:00/R 1:00), final exams will be held during the scheduled exam times for the first class day of the week.

**Instructor must verify that no other exam conflicts with scheduled exam time. If conflict exists, instructors must meet to determine alternative exam scheduling and must notify and verify availability with the Office of the Registrar. If an acceptable agreement cannot be reached, scheduled exam date and time will be assigned to the class listed first (left-to-right) as shown above, and the exam time of the other class will be announced by the instructor. Should an alternate exam date/time conflict or cause the student to have three exams on one day, the instructor announcing the new date/time will make the accommodation.*

†For TBA exam days, the instructor will announce the exam time; should the announced time conflict with another scheduled exam, the instructor who announced the exam time will make the accommodation.
