

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to our office. We may ask for additional information. If you have questions about verification, contact our office as soon as possible so that your financial aid will not be delayed.

C. Independent Student's Income Information to Be Verified

PLEASE COMPLETE SECTION 1 (for tax filers) OR SECTION 2 (if you did not file taxes). DO NOT MARK BOXES IN BOTH SECTIONS.

1. TAX RETURN FILERS Complete this section **ONLY IF the student filed or will file a 2020 income tax return with the IRS—Important Note:** If the student filed, or will file, an amended 2020 IRS tax return, was a victim of IRS tax related identity theft, or was granted a filing extension by the IRS, you must contact our office before completing this section.

Instructions: *The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If the student has not already used the tool, go to <https://fafsa.ed.gov>, log in to the student's FAFSA record, select "Make FAFSA Corrections," and navigate to the Financial Information section of the form. From there, follow the instructions to determine if the student is eligible to use the IRS Data Retrieval Tool to transfer 2020 IRS income tax information into the student's FAFSA. If you need more information about when, or how to use the IRS Data Retrieval Tool, contact our office.*

Check the box that applies:

- I, the student, have used the IRS Data Retrieval Tool in FAFSA on the Web to transfer my (and, if married, my spouse's) 2020 IRS income information into my FAFSA, either on the initial FAFSA or when making a correction to the FAFSA. We will use the IRS information that was transferred in the verification process.
- I, the student, have not yet used the IRS Data Retrieval Tool, but I will use the tool to transfer my (and, if married, my spouse's) 2020 IRS income information into my FAFSA. See instructions above for information on how to use the IRS Data Retrieval Tool. We cannot complete the verification process until your (and, if married, your spouse's) IRS information has been transferred into your FAFSA.
- I, the student, will submit to the school a **complete and signed 2020 IRS Federal Income Tax Return**.
- Check here if the student's complete and signed 2020 tax return is attached to this worksheet.
- Check here if the student's complete and signed 2020 tax return will be submitted to our office later. Verification cannot be completed until the 2020 tax return has been submitted to our office.

2. TAX RETURN NON-FILERS ONLY—Complete this section if you, the student (and, if married, your spouse), will not file and are not required to file a 2020 income tax return with the IRS.

Attach copies of all 2020 W-2 forms issued to you (and, if married, to your spouse) by employers. *List every employer even if the employer did not issue an IRS W-2 form. If more space is needed, attach a separate page with your name and SSN at the top.*
