

Licensure from the State of Indiana at Taylor University in the listed state, district, or territory:

Meets	Meets professional licensure standards for this state
Does Not Meet	Does NOT meet professional licensure for this state
Not Determined	Has not yet been determined if it will meet the requirements for this state

Please consult the licensing board or agency for your home state with questions.

It is the student's responsibility to notify the university's department if their state of residence changes after initial admission.

34 CFR 668.43(a)(5)(v) - Institutional Information (public notifications for programs leading to professional licensure or certification for all modalities)

(v) If an educational program is designed to meet educational requirements for a specific professional license or certification that is required for employment in an occupation, or is advertised as meeting such requirements, information regarding whether completion of that program would be sufficient to meet licensure requirements in a State for that occupation, including -

- (A) A list of all States for which the institution has determined that its curriculum meets the State educational requirements for licensure or certification;
- (B) A list of all States for which the institution has determined that its curriculum does not meet the State educational requirements for licensure or certification; and
- (C) A list of all States for which the institution has not made a determination that its curriculum meets the State educational requirements for licensure or certification;
