☐ **Concurrent Majors/Minors**

When declaring a second or third major, your current advisor and each major department chair must approve the concurrent majors.

When declaring a second or third minor, your current advisor(s) and each minor department chair must approve the concurrent minors.

‡ AA degree cannot be declared concurrently with any other degree/major/minor.

I fully understand the requirements for graduating from Taylor University and that changes in major, minor, and/or degree program may affect my future schedule planning and duration of study at Taylor University. I have also indicated the exact catalog year curriculum in which I am pursuing.
